

## **POW #3**

Due Date: Friday 6/29/07

Choose one of the following topics from Donald Duck in Mathmagic Land and research more about it. Write a 2 page, double spaced, paper explaining the math and history behind your chosen topic.

For the students who missed class on Monday (or ones who are having trouble deciding which topic to write about), please write on one of the following topics from the film:

- Music
- Golden Section
- Pentagon
- Spirals in nature
- Greek Sculpture and Golden Rectangle
- Math in art
- Math and Billiards
- Math and Optic Lenses
- Elliptical Orbits
- Infinity
